REQUEST FOR ADMISSION TO DEFENDANT(S)
CLEARLAKE POLICE DEPARTMENT -
SET ONE

14
15 Propounding Party: Plaintiff(s) David Davis & Page Gearhart-Davis

16 Responding Party: Defendant(s) City of Clearlake

17 **INTRODCUCTION**

18 It is hereby requested that you admit or deny under oath within thirty
19 days, pursuant to Federal Rules of Civil Procedure, Rule 3, the following
20 requests for admission.

21 As a general rule, within 30 days after you are served with these
22 requests, you must serve your response on the asking party and serve copies
23 of the responses on all other parties to the action who have appeared.

24 A matter is admitted unless, within 30 days after being served, the
25 party to whom the request is directed serves on the requesting party a

1 written answer or objection addressed to the matter and signed by the party
2 or its attorney.

3 If a matter is not admitted, the answer must specifically deny it or state in
4 detail why answering party cannot truthfully admit or deny it. A denial,
5 must fairly respond to the substance of the matter; and when good faith
6 requires that a party qualify an answer or deny only a part of a matter, the
7 answer must specify the part admitted and qualify or deny the rest. The
8 answering party may assert lack of knowledge or information as a reason for
9 failing to admit or deny only if the party states that it has made reasonable
10 inquiry and that the information it knows or can readily obtain is
11 insufficient to enable it to admit or deny.

12 The grounds for objecting to a request must be stated. A party must

14 trial.

Case No.: **C 07-03365 EDL**

10 Plaintiff(s),

**MOTION TO SHORTEN TIME FOR RESONSE TO
REQUEST FOR ADMISSION**

11 vs.

12 CLEARLAKE POLICE DEPARTMENT,

13 Defendant(s)

14
15 The Plaintiff(s) to the above-entitled action jointly submit this Motion
16 To Shorten Time For Response to Request for Admission.

17 On May 19, 2008 Plaintiff Page Gearhart-Davis spoke with Defendant(s)
18 counsel Dirk Larsen regarding Plaintiff(s) submission of Request for
19 Admission. Plaintiff asked Defendant(s) counsel Dirk Larson about shortening
20 the time for Defendant(s) response to two weeks because of the upcoming
21 Settlement Conference on June 6, 2008. Dirk Larsen stated that he could not
22 commit to shortening the time for Defendant(s) response.

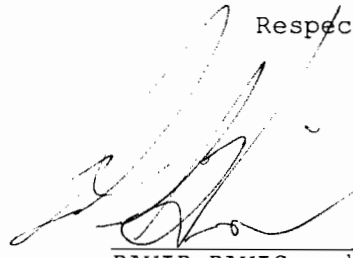

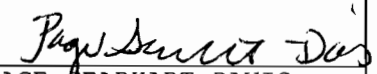

23 In Defendant(s) Response to Plaintiff(s) Request for Production of
24 Documents, Set One Defendant(s) with regard to dispatch stated: Responding
25 party will produce responsive documents.

1 In Defendant(s) Supplemental Response to Plaintiff(s) Request for
2 Production of Documents with regard to request for dispatch Defendant(s)
3 stated: After a reasonable search and diligent inquiry, no documents were
4 found in the police files pertaining to this request that has not already
5 been produced pursuant to FRCP 26. The only dispatch record pertinent to
6 this request would be part of the court file which is in possession of the
7 County of Lake Court Records. Then in Defendant(s) 2nd Supplemental Response
8 to Plaintiff(s) Request for Production of Documents Defendant(s) Defendant(s)
9 stated: After reasonable search and diligent inquiry, no documents were found
10 in the police files pertaining to this request that has not already been
11 produced pursuant to FRCP 26. In Plaintiffs request they ask for the
12 "dispatch" record on the traffic citation, but the only record of the traffic
13 citation would be the court file which is in possession of the County of Lake
14 Court Records. There is no other "dispatch" record in the possession of the
15 defendants. Defendant(s) only submitted dispatch from 8-3-06 with their
16 Initial Disclosures and when defendant contacted County of Lake Court Records
17 we were told dispatch information was kept with the issuing agency. After
18 Plaintiff(s) filed Motion to Compel Production of Withheld Documents
19 Defendant now state they didn't understand what dispatch record meant.

20 At this point Plaintiff(s) have been given every excuse except the truth
21 in regards to dispatch record check. Plaintiff(s) ask the court to shorten
22 the time for Defendant(s) to answer Plaintiff(s) Request for Admission to two
23 weeks from proof of service so they can finally receive the truth instead of
24 excuse. Plaintiff(s) also requests the court not to schedule a hearing date
25 for this motion rather to either shorten the time or deny the request.

Case No.: C 07-03365 EDL

**DECLARATION OF DAVID DAVIS AND PAGE
GEARHART DAVIS, IN SUPPORT TO MOTION
TO SHORTEN TIME FOR RESONSE TO REQUEST
FOR ADMISSION**

14
15 We, David Davis and Page Gearhart-Davis, declare as follows:

16 1. We have personal knowledge of the following facts, and could and would
17 testify competently thereto if called upon to do so.

18 2. On March 14, 2008 Defendant(s) said they would produce responsive
19 documents with regard to our request for dispatch record check. Exhibit A
20 (Response 7-13)

21 3. On March 25, 2008 and April 25, 2008 Defendant(s) said no documents were
22 found in the police files pertaining to this request that had not already
23 been produced and the only dispatch record request would be found in the
24 County of Lake Records. Exhibit B & C (Response 7-13)
25

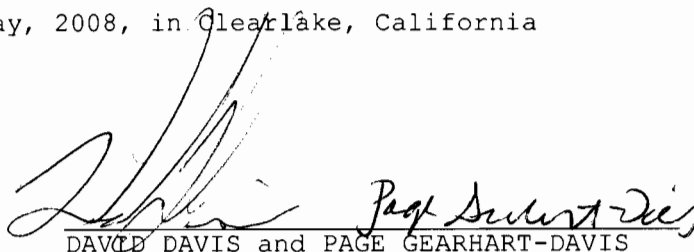

1 4. On April 22,2008 Defendant(s) said they previously misunderstood what
2 we meant by "dispatch record" check. They also said we mistakenly
3 believed that Lake County Court would have "dispatch records". Exhibit C

4 5. On April 1,2008 Plaintiff Page Gearhart-Davis was told by Marlene at
5 Lake County Court Records and Kathleen at Lake County Superior Court
6 Traffic Division that all dispatch records would be kept with the issuing
7 agency.

8 6. In open court on May 13,2008 Dale Allen stated that the recording Sgt.
9 Celli allegedly took on January 17,2008 was a personal recording that his
10 clients were still looking for. In Clearlake Police Departments
11 Investigation IA#01-12-07/90 Mike Herman stated that the audio recording
12 was attached to the investigation. Exhibit D

13
14 We swear under penalty of perjury under the laws of the State of
15 California that the foregoing is true and correct.

Complaint:

On January 12, 2007, I received the attached Personnel Complaint from David and Page Davis. The complaint in itself was vague in nature and only listed that Sgt. Celli had been involved in the following acts: Racial Profiling, Abuse of Authority, Excessive Ticket Writing, Manipulation of Staff, Falsifying Reports and Hate Crimes. Also listed on the complaint form is the following statement "All evidence is available upon investigation". While speaking with them about the complaint, they were unable to provide any detailed information regarding the accusations. They did tell me that they believed Sgt. Celli was manipulating other staff members into harassing them and spoke about prior incidents with him and other officers that had already been investigated (IA

CLE 0052

#08-03-06/90/107/132/145).

1-5-07
 It should be noted that approximately one week prior to them filing the complaint, I had a conversation with the Davis' in the front interview room of the Clearlake Police Department. At the time, they had initially come to the station to file this personnel complaint against Sgt. Celli. I was aware of the prior complaint filed by Davis against Sgt. Celli and other officers and knew that it surrounded several traffic stops and dealings with him. While speaking with them, it was evident that their "new" complaint involved the same set of circumstances that had already been investigated. They then began speaking about a traffic stop in which they had recently been stopped by Officer Labbe. They "believed" that Officer Labbe was told to stop them and that Sgt. Celli had instructed him to write them a citation. However, they added that they did not have a complaint with Officer Labbe and only against Sgt. Celli. I spent approximately thirty (30) minutes with them discussing the incidents, answering their questions and explaining the procedures for officer complaints and how they are received and investigated. Mr. Davis was also advised that I would need "detailed" information on the premises of the complaint in order to thoroughly investigate it, while adding that I would not re-investigate a prior complaint. At the time, both David and Page Davis stated they understood my explanations and appeared to have no problems. They decided against filing a complaint at the time and asked me to speak with the officers and "request" that they leave them alone.

A few days after the initial contact with them, Page Davis called me and stated that they had decided to go ahead and file the complaint "just to have a record of it". As required, I agreed to take the complaint from her at the time. Due to schedule conflicts (between both theirs and mine) and a priority details, I was unable to actually meet with them until the afternoon of the 12th. However, I had been in constant phone contact with Page up until that point.

Investigation:

Shortly after my first conversation with the Davis', I had spoken with Officer Labbe about the circumstances involving his traffic stop of Page Davis (which occurred on 12-27-06). He told me that he did not even know the vehicle belonged to the Davis' and that he was looking for another unrelated subject at the time. He remembered stopping the vehicle for an obstructed plate and later notifying Sgt. Celli after he realized that the driver was Page Davis and that David Davis was the passenger. Officer Labbe did issue a citation to Mrs. Davis for having the obstructed plate, no registration card, a broken taillight and no proof of insurance. He added that he had also given them a warning for failing to use their turn signal. Officer Labbe told me that Sgt. Celli did arrive as a Cover Officer, but at no time instructed him to stop the vehicle or to write the citation.

During the morning of January 18, 2007 I had received the attached memo from Sgt. Celli who had been advised that this complaint was made. According to the memo, officers had received a 911 hang-up call at the Davis residence during the evening of January 17, 2007 at approximately 2114 hours. Sgt. Celli and Officer Ray responded to the location but did not realize that it was the home of David and Page Davis until they arrived. Sgt. Celli noted that Mr. Davis grabbed his video camera while yelling at the officers and telling them to "get the fuck off his property". Mr. Davis denied that a 911 call had been made and Sgt. Celli decided not to force the issue at the time as no one appeared to be in distress. Sgt. Celli later obtained a copy of the 911 print-out from Central Dispatch which he attached. He also stated that he had activated his audio recorder once he realized that the home belonged to Mr. Davis. He downloaded the recording to a CD which has been placed in this file. I reviewed the print-out of the 911 call and saw that the call

came in at 21:14:34 hours on 01/17/07. The caller ANI (number) was listed as (707)995-0749 which is the listed number belonging to the Davis'.

On January 18, 2007 at approximately 1650 hours, I met with David and Page Davis at their residence in order to obtain a recorded statement from them. The meeting had been pre-arranged so that I could obtain some factual details of the complaint and in order to confirm that it was not still part of the original complaint that had already been investigated. At the beginning of the interview, Mr. Davis told me that officers had come out to his home the night before for a reported 911 call. He denied that a call had been placed and made comments to the fact that he believed the officers had "made it up". He also said that he called the Sheriff's Department and was told that there was "no record" of the call. I advised him that I in fact had a copy of the 911 print-out from Central Dispatch and he responded by saying the cover-up had already begun.

When I turned his attention to his complaint, Mr. Davis told me that he "knew" that Sgt. Celli was in fact a "racist" and that he belonged to a white supremacy group. He was unable to provide any details or proof that Sgt. Celli belonged to a white hate group and refused to identify reported "witnesses" who had "proof". Mr. Davis said that he also knew for a fact that Sgt. Celli had "white power" or "white pride" tattoos on his arms as well. He added that he had seen the tattoos himself when he was thrown down on the ground by Sgt. Celli during a previously reported incident. Mr. Davis then began pulling out citations and a case report that had been prepared by various officers. One citation (#50128) issued by Officer Hobbs on 8-03-06, had a signature that Davis claimed was not his own. He argued that an officer had "forged" his signature and denied ever signing it himself. Along with the citation was a copy of a report prepared by Officer Hobbs (Case #06-2456) which documented the traffic stop and the fact the vehicle was towed. Mr. Davis said the report was his proof that Sgt. Celli had filed a false report. However, the report was prepared by Officer Hobbs and only approved by Sgt. Celli. Mr. Davis argued that "approving" a report was the same as swearing the facts held within were true and correct. Mr. Davis continued by saying that knew that Sgt. Celli was in fact manipulating younger staff members and officers to "do his work".

Mr. Davis then began speaking about Officer Hobbs and saying that he had illegally confiscated a knife from him. He showed me an envelope that was mailed to him with his knife inside of it (Officer Hobbs had apparently taken control of it for safety issues and forgot to initially return it). The knife was returned to Mr. Davis a short time later in the envelope and he acknowledged receipt of it. However, he argued that Officer Hobbs had no legal right to take control of the knife and refused to allow me to explain officer safety issues with him.

Mr. Davis produced a total of five traffic citations and one case report (listed above) while claiming that the citations themselves were proof that he was being harassed. The following is a list of the citations issued along with the dates and primary violation:

- #52021 – issued on 9-27-06 to David Davis for 12500 CVC (incident # 60927062).
- #52310 – issued on 12-27-06 to Page Davis for 5201 VC (incident #61227044).
- #52022 – issued on 9-27-06 to Page Davis for 27803 VC (incident #60927062).
- #49299 – issued on 8-02-06 to David Davis for 4000(a) VC (incident #6080206).
- #50128 – issued on 8-03-06 to David Davis for 27315 (e) VC (60803002)
- Case #06-2456 – Details citation #50128 and vehicle tow on 8-03-06.

It should be noted that on 8-03-06 when Mr. Davis was issued a citation for no seat belt (27315 VC), Page Davis was also issued a citation for driving without a license (Citation #52003) which

was not one of the citations produced by Mr. Davis at the time of this interview. Also not produced by Mr. Davis was the supplemental police report that Officer Hobbs had prepared for Case #06-2456. In the supplemental report, Officer Hobbs details the fact he had found a fixed blade knife in the vehicle during his contact with Mr. Davis on 8-03-06. Officer Hobbs notes that the knife was placed in his patrol vehicle during a vehicle search and that he had intended on returning it to Mr. Davis upon his release from the scene. Officer Hobbs apparently forgot to return the knife at the time and later mailed back to Mr. Davis (according to the report the knife was not returned personally due to the fact Mr. Davis had already filed his personnel complaint against the officers).

As the interview with Mr. Davis continued, he repeatedly accused various officers of falsifying reports and racist behavior. He increasingly became more and more argumentative with me during my questioning of him. He then began showing me photographs of a stop sign at the corner of Arrowhead and Park Street. He claimed officers were writing illegal citations at the location due to the fact there is no limit line. I advised him that he needed to re-read the vehicle code as it pertains to stop signs and he argued that I did not know the vehicle code and that officers were wrong.

During the entire interview, Mr. Davis was unable to produce any evidence or facts to prove that Sgt. Celli had taken part in any of the allegations that Mr. Davis was making against him. It was apparent that Mr. Davis had his own opinion on the issues and refused to waiver from them or discuss them in any "real" manner. At one point he told me that I could either admit that the problems were occurring or that I could "go down with the rest of them". I finally decided to conclude the interview at which point Mr. Davis began accusing me of misconduct as well.

I later downloaded a copy of the interview to a CD which has been placed in this case file.

On 1-19-07, Sgt. Celli Agreed to allow me to take pictures of both his arms and his tattoos. Sgt. Celli, who is a member of the Iron Pigs Motorcycle Club (made up mainly of police officers and firefighters), had a tattoo of the Iron Pigs logo on his right shoulder. Just below the logo is a tattoo of his daughter's name (Kristen). Below that is another Iron Pigs tattoo. On the back of his right arm are the letters N F T B. According to Sgt. Celli, this stands for the motto "Never Forget the Brotherhood" which is dedicated to those professionals who lost their lives during the September 11th attacks. Sgt. Celli's left arm was found to be free of any markings or tattoos.

Sgt. Celli was quick to note that the Iron Pigs Motorcycle Club has never been a criminal street gang. He showed me a copy of the club's By-Laws which clearly state that membership "Shall not be based on race, sex, religion and creed". He added that this is not a "white hate" or "white pride" group and that there are a large amount of non-white members including whole chapters that are strictly made up of black professionals.

The pictures of his arms and of the noted By-Laws have been printed out and attached to this investigation. Also attached is a portion of the Iron Pigs' website which details membership and some of the history of the club. I also located the attached web page "neverforget.ca". The page is dedicated to the firefighters and police officers who lost their lives on September 11th and has the following phrase highlighted "We owe it to them and to their brothers to never forget their sacrifice and what it has taught us". It should also be noted that one of the links on the web site is listed "Life in the Brotherhood" as it pertains to firefighters.

Analysis:

At this time, there is absolutely no evidence or indications that tend to prove that Sgt. Celli has been involved in any of the allegations made by Mr. Davis. Several of the issues raised by Mr. Davis dealt with his dealings with Sgt. Celli on August 2nd and 3rd of 2006 which had already been investigated by Captain Larsen. That investigation was found to be "Unfounded" and without merit. Just as in that case, Mr. Davis has even been unable to properly articulate any facts to back his claims. With the exception of the 911 hang-up call on January 17, 2007, neither he nor his wife has had any personal dealings with Sgt. Celli. Of the two times they had been stopped and issued citations from other officers since the initial complaint (each being issued a citation on 9-27-06 and one on 12-27-06), Sgt. Celli was not the officer who initiated the traffic stop or issued the citations. The fact that they "feel" Sgt. Celli is responsible or has been manipulating other members of the department does not justify this complaint and there is absolutely no evidence to suggest it. Mr. Davis has failed to provide any facts, witnesses or evidence that would prove that Sgt. Celli has been involved in "Racial Profiling, Abuse of Authority, Excessive Ticket Writing, Manipulation of Staff, Falsifying Reports and Hate Crimes".

The Davis's have produced several newspaper articles during the past several months in which they openly claim that the officers of the Clearlake Police Department are corrupt and racist. Their accounts have always been one-sided and have not contained the true facts of their contacts with officers. They have attempted to gather the "community" in an effort to discredit the police department, but have been unsuccessful to this point.
